Reviews

It is one of the best books. Better than ever, though I am quite late in starting to read this one. I am delighted to explain how this is the best book I have ever studied in my personal lifestyle and might be the best PDF for ever.

CITY SHIFTERS: VOL 1 (PAPERBACK)

Pride Company, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Bearly There One surly bear and one bunny boy.what could possibly go wrong? Jagger Osterman is having a bad day. In fact, he s not the slightest bit impressed with 2015 at all. His job is on the line, and it s not like he loves being a marketing wunderkind, but he has to do something to pay the bills. If he had his way, he d just vanish into the mountains and live out his life as the black bear he yearns to shift into. Unfortunately, Jagger doesn t have the time to let his beast run. He has responsibilities that he can t walk away from. Kevin Kelly could tell Jagger a thing or two about bad days, bad years, and just out and out bad luck. He made the mistake of smarting off to a curandera years ago and hasn t been able to shake the curse she put on him yet. There s not an area of his life that hasn t been screwed up in one way or another. As a pronghorn shifter, he d be okay on his own in the wild. Sure, there d be predators, but Kevin had come to realize the worst predators were the human kind. But he can t shift. He s been solidly bound to human form since being cursed. Two men, both trapped in their own ways. They re about to find out that freedom comes in many forms. Harey Situation This time, it s a real bunny shifter and you know the saying about doing something like bunnies. Oliver Biggerstaffer comes to Texas from Boston, looking for a job and a new life. He s hoping the advertising firm...
