To get **Minecraft Blockopedia (Hardback)** PDF, you should access the web link listed below and download the ebook or get access to additional information which are highly relevant to MINECRAFT BLOCKOPEDIA (HARDBACK) book.

Egmont UK Ltd, United Kingdom, 2014. Hardback. Book Condition: New. 290 x 263 mm. Language: English . Brand New Book. Minecraft Blockopedia is your indispensable guide to the very stuff of Minecraft: the blocks! Beautifully presented in hexagonal block form in a stylish box: this is the ultimate gift for both the experienced mincrafter and the novice. Minecraft can be an overwhelming place in which to first set foot, but with this book you'll always know what's around you, in the air, under your feet, and at your virtual fingertips. Every single block is featured with its location, function, and behaviour. With 300 pages stuffed with facts and images, Blockopedia is grouped into helpful sections by type of block: naturally generated, ores and minerals, plants, and liquids and gases. In addition to their properties, you'll get all the stats on blast resistance, transparency, light emittance, and block drops. You'll also discover the secrets of each block and informative facts about how they behave. Basic blocks such as dirt, grass, and cobblestone are found in abundance in the Overworld. But for the rarer variety, such as the Monster Spawner, it will mean a trip into the Nether dimension. With Minecraft Blockopedia you'll survive better, live happier, and build stronger. Perfect for Minecrafters aged 9 and up. Be sure to look out for the rest of the Minecraft series: Minecraft Beginner's Handbook, Minecraft Construction Handbook, Minecraft Combat Handbook and Minecraft Redstone Handbook. Coming Soon: Minecraft: The Survivors Book of Secrets and Minecraft: Exploded Builds: Medieval Fortress.
