Forgotten Books, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from The Resources of the Sea: As Shown in the Scientific Experiments to Test the Effects of Trawling and of the Closure of Certain Areas Off the Scottish Shores It was hoped that opportunities would have been afforded for repeating in 1898, on the same dates and, as far as possible, under the same circumstances, the experiments of 1884, but the authorities did not appear to see either the way or the importance of such an enterprise. The suggestion was made in no narrow spirit, indeed its acceptance would have entailed very serious responsibilities on the author.
