

Healing of Emotional Wounds (Paperback)

By Prince Handley

University of Excellence Press, United States, 2014. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.There is nothing more vexing to the people I have counseled through the many years than emotional hurt, or to put it simply: a broken heart. People can have physical and mental diseases, and sometimes compensate for them in their own way. However, wounds of the emotions (a broken heart, rejection, scorn, loss) can be elusive. Some people become emotionally disturbed. However, some people hide their wounds by a variety of self-imposed masks. After a period of time the hurt can produce anger, revenge, guilt or shame that is harmful to the body or mind. The primal cause of this attack against your emotions - and your spirit - was not the person or people who offended you! This book will show the reader HOW to be healed permanently from emotional wounds . and their scars!.
