Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Nicolette Mace is a girl that just doesn't fit in. After her mother's death when she could barely walk, Nicolette found all that she had left in the world was her father, Arthur, and her sister, Louise - even they were taken away from her. The only people that she has left are Fred Barlow and Harry Lee, but now even their livelihoods are in jeopardy. Can Siren help save her friends or is she destined to lose them as well? Nicolette Mace is a private investigator out of necessity, not choice. With her family dead and nowhere else to turn she had to learn to stand on her own two feet and live the only way her father ever taught her to. My name is Nicolette Mace, but you might know me as the Raven Siren. I'm a Private Investigator living the 1930s romantic dream in this new and exciting modern age. I keep records of everything that happens; everything I have seen and done. Why? There are more things in heaven and earth, Horatio, than are dreamed of in your philosophies.
