THIS is the study of an artistic temperament in a generation not so far removed from our own as the hurried events of the last two decades would make it appear-the generation which fought in the Boer War. Mr. Fletcher has told us the life story of a boy, a thinker rather than a doer -Lucian the Dreamer. We follow with great interest his many love affairs while under the care of his uncle and aunt in the country. We enjoy with him the simple rustic beauties of Wellsby, and from the moment he arrives at the little village station until that final tragic scene in the dry-bed of a South African river we are held as in a vice. This is a Green Bird Publication of a quality soft cover, suitable for libraries, home libraries, gift giving, and keepsakes.
