

The Making of a Patriot: Benjamin Franklin at the Cockpit

By Sheila Skemp

Audible Studios on Brilliance, 2016. CD-Audio. Condition: New. Unabridged. Language: English . Brand New. On January 29, 1774, Benjamin Franklin was called to appear before the Privy Council--a select group of the king's advisors--in an octagonal-shaped room in Whitehall Palace known as the Cockpit. Spurred by jeers and applause from the audience in the Cockpit, Solicitor General Alexander Wedderburn unleashed a withering tirade against Franklin. Though Franklin entered the room as a dutiful servant of the British crown, he left as a budding American revolutionary. In *The Making of a Patriot*, renowned Franklin historian Sheila L. Skemp presents an insightful, lively narrative that goes beyond the traditional Franklin biography--and behind the common myths--to demonstrate how Franklin's ultimate decision to support the colonists was by no means a foregone conclusion. In fact, up until the Cockpit ordeal, he was steadfastly committed to achieving an accommodation of our differences. *The Making of a Patriot* sheds light on the conspiratorial framework within which actors on both sides of the Atlantic moved toward revolution. It highlights how this event ultimately pitted Franklin against his son, suggesting that the Revolution was, in no small part, also a civil war.

Reviews

Merely no words to explain. I really could comprehend everything out of this published ebook. I found out this publication from my dad and i suggested this publication to learn.

-- Prof. Margarita Ledner PhD

This written pdf is fantastic. It normally is not going to expense a lot of. It is extremely difficult to leave it before concluding, once you begin to read the book.
