WWI-ACTIVITY BK (PAPERBACK)

Gallopade International, 2005. Paperback. Condition: New. Language: English . Brand New Book. World War I was the beginning of Modern Warfare. The Great War s new weaponry: poison gas, machine guns, tanks, airplanes, and even submarines forever changed the way battles were fought. Who would ever think that a single bullet from an assassin s gun could start a war that would be fought on a larger scale than ever before? Probably no one--but that s what happened! In this book, kids will see for themselves the events leading up to the first World War--and will hunker down in the trenches of eastern Europe with the troops of many nations as they fight the war to end all wars.
