The Blood-Eagle One night when I went to my room I found in a little shelf near the window a book, whose title I now forget, describing the far-off days when the religion of Christ and of the gods of the north strove together in England. I read this for an hour or two before I went to sleep, and again as I was dressing on the following morning, and spoke of it at breakfast. Yes, said the old man, that was one of my father's books. I remember reading it when I was a boy. I believe it is said to be very ill-informed and unscientific in these days. My parents used to think that all religions except Christianity were of the devil. But I think St. Paul teaches us a larger hope than that. He said nothing more at the time; but in the course of the morning, as I was walking up and down the raised terrace that runs under the pines beside the drive, I saw the priest coming towards me with a book in his hand. He was a little dusty and flushed. I went to look for something that I thought might interest you, after what you said at breakfast, he began, and I have found it at last in the loft. We began to walk together up and down. A very curious thing happened to me, he said, when I was a boy. I remember telling my father of it when I came...
