Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. This book is intended as a practical guide into one s personal journey through growth. It will provide a brief description of how we learn to process information intuitively, how that affects our output, and how we can restructure this system through the implementation of simple practices. You will find these activities highlighted throughout the pages following the term Key to growth. It is easy to underestimate their impact based on their simplicity, but work through them - throw yourself into them - and you might be surprised by what they reveal. This book can be used as a stand alone for a quick jumpstart into new thinking, or as a starting point for a much longer path - it is what you make it. Likely, you will desire to go beyond this book, and seek innovative ways to maintain growth throughout the length of your life - I celebrate this! Whatever your intent, I wish you courage and determination in reaching for the things you want with both hands. Life is yours to live as you dream!.
