Marilyn Ryan thought she understated the case a bit. How in the world did she end up in the middle of this. Angels and Archangels. one at least of the fallen variety? And now she was supposed to finish some project her grandmother was working on with Lucifer when she died? As in Satan? How did she end up with the Prince of Darkness when her grandmother got to spend all her time with Michael, who was so nice and sweet and on the right side? What was you-know-who getting out of this anyway? Why did he care if we knew his side of the story or not? Maybe I was imagining all of this. Maybe Gram was insane. Maybe I was insane. Maybe none of it mattered anyway. What with the world coming to an end and all.
