CreateSpace Independent Publishing Platform. Paperback. Condition: New. This item is printed on demand. 102 pages. Dimensions: 10.0in. x 8.0in. x 0.2in. How to use the Cats Talking Shit Coloring Book LOTS and LOTS of beautiful and ornate coloring book pages for hours and hours of relaxing calm and peace. And isn't that what coloring is really about. Turn on some music, sit back, and let your creative juices flow while you turn a page of black and white into the embodiment of your mind's ultimate color scheme! Let's face it, my cat is an A-hole. Turns out most of them are, and this book is devoted to those furry little balls of laziness we love so much. This is a coloring book devoted to the Cats and all the shit they talk. Half of our population shares a love of cats in their many and wondrous forms. Whether it's your house cat, the lazy fat cat down the street that steals all of your cat food, or the sleek and elegant jungle cat that we see on television, we love cats. Unlike dogs, cats have a personality that requires a certain amount of patience and effort if you intend to receive any affection. Cats can be calculating and sinister, and if they could talk, can you even imagine what they would say? Oh we can, and we have. We decided to focus not just on images of cats, but beautiful and intricate designs that you can spend hours coloring until they become majestic pieces of artwork, worthy of your wall, Facebook or the Guggenheim Gallery! Beauty and vulgarity, all in one! This book has been a collaborative effort between artists, designers, and psychologists. This book not only soothes you, but also increases mental stimulation. The pictures and designs may seem random...
