Reviews

Here is the finest ebook i have got read until now. It really is simplistic but excitement within the 50 percent in the book. Once you begin to read the book, it is extremely difficult to leave it before concluding.
(Lupe Connelly)

THE ALLIED OCCUPATION OF GERMANY

I.B.Tauris amp; Co Ltd, 2013. Hardcover. Book Condition: New. 13.4 x 21.6 cm. In the years following World War II, the allies occupied a shattered Germany. Britain held North-Western Germany for ten years, overseeing the rehabilitation of 'the biggest single forced population movement in modern history', as Germans from around Europe were expelled from the crumbling Third Reich. This was a humanitarian crisis -- with most hospitals, houses, transport networks and schools destroyed during the war, and the British and Americans running enormous and often inhumane refugee camps. Here, Francis Graham-Dixon assesses how the British squared their ethical focus on liberalism with their status as an occupying power, and examines the economic, military and political pressures of the period through the key turning points of the end of WorldWar II -- the bombing of Hamburg in 1943, the mismanagement of the refugee camp system and the fallout between occupiers and occupied after the Nuremberg trials of 1945/6. The first book to compare German and British sources from the period, this is an essential contribution to the literature on World War II, the Cold War and post-war Europe. -- Provided by publisher. Our orders are sent from our warehouse locally or directly from our international distributors to allow us to offer you the best possible price and delivery time. Book.
