Rusty Ajax is a disillusioned hunter of the alien race that conquered Earth seven years ago, called the Predators. They're stronger, more numerous, and their technology is far advanced. Taken unawares in the first attack, Earth fell quickly. Now just a scattering of humans remain, living underground in compounds with a few of the best hunting the Predators alone. One of these few, Rusty has been fighting a hopeless battle ever since the Predators first came. He and those like him barely make a dent in the Predators seemingly infinite numbers. Ready to give up in the face of the overwhelming enemy, Rusty has almost lost all hope, until the day he saves the life of Keenan Sanford, a brilliant and charismatic young man with a debilitating injury who still manages to overcome his obstacles and rise to lead the remnants of humanity in a last-ditch effort to save their planet and their species. Joining with Keenan in what he believes to be an impossible idea, Rusty learns what it truly means to hope against all odds. Through him Rusty also meets Philip Carre, Keenan's friend and a brave young woman who fights despite her doubts of success and shows Rusty that love is possible even at the end of the world.
