Forgotten Books, 2018. Hardback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Lincoln: Captain Cummings Recollections of Honest Abe Those were interesting days! Everybody felt as if he had a share and a responsibility in running our country. Slavery was a big question. People were divided on the Dred Scott decision and arguing over the Missouri Compromise. Our neighbors in the South were pressing State Rights. I wish every body today took as much interest in our country s problems as we all did then. But maybe times are different; it appears to me that the only time people concern themselves about how our country is run is along about election time, and even then they do more complaining than they do voting.
