PURE FICTION, UNFORTUNATELY

Xlibris Corporation, United States, 2010. Paperback. Book Condition: New. 226 x 152 mm. Language: English Brand New Book ***** Print on Demand *****.The reforms in House Bill 541 will rebuild K-12 education in Kentucky, starting with a foundation based on an old-fashioned philosophy of instructional practices. They will also enable the governor-elect to keep his campaign promise to raise the quality of K-12 education from rank mediocrity to world-class. Standing between the new governor and his promise are sycophantic bureaucrats, special interest groups, money-yielding lobbyists, and corrupt politicians who intend to continue their self-serving ways by watering down the reforms in House Bill 541 to the status quo. Only a good-size miracle can stop them. James Ed Hoskins is in his late thirties. His square-chinned face has high cheek bones, a broad, proportional nose, fully developed lips, dark gray eyes, and it is topped off with neatly groomed, curly black hair. His trim, six-foot body evidences his belief in the immediate and long-term benefits of regular exercise. One of his bedrooms is a well-equipped gym, and a one-hour workout before breakfast every day is as much a part of his morning routine as shaving and brushing his teeth. He does not date single women. He has learned through trial and error that he can not satisfy their emotional needs or meet any of the other reasonable expectations that make up a proper relationship. His heart is closed to wedding bells, and he won t lure a woman to bed with pretense or any other form of dishonesty. His sexual relationships are limited to aggressive, married women who have only one thing on their mind, uninhibited sex. He has learned that their many pleasures are not free of charge. They come with a set of problems that are different from those...
