VANITY? THE PIECES OF AUDREY MICHELLE (PAPERBACK)

Vonchasepublishing, United States, 2008. Paperback. Condition: New. Large type / large print edition. Language: English . Brand New Book ***** Print on Demand *****.Each of us is like a box of chocolates. I see many individual s boxes are slightly ajar, presenting only pieces they deem most worthy. Webster s Dictionary defines vanity as excessive appreciation of one s own worth or virtue. While vanity allows us to expose only our most desirable characteristics to others, I believe those with nearly closed boxes usually are the least appreciative of their true worth. True vanity comes when we can expose proudly ALL pieces, even those hidden in dark corners. Look inside, beyond the cover of false vanity, as I present my truths in raw, emotionally driven words, finding complete self-acceptance of all my pieces as I finally gain true vanity an excessive appreciation of my own worth. Herein are ALL my pieces in an open box exposed truths within emotionally driven words created by my heart, soul and mind. With the acceptance and ability to tell of all my pieces pain, loss, love, fate, hope and to proudly express my sexual thoughts, without the worry of society s backlash a final excessive appreciation of my own worth and virtue. I am now truly vain. My box is open. Sample me, as you desire.
