

Writing at the Edge: Narrative and Writing Process Theory (Paperback)

By Jeff Park

Peter Lang Publishing Inc, United States, 2005. Paperback. Condition: New. Language: English . Brand New Book. In Writing at the Edge, Jeff Park invites the reader to see personal writing as the metaphorical space where individuals negotiate meaning with others and the world. Drawing upon writing process theory, curriculum theory, narrative theory, and many years of practice, this book explores writing in relation to the self, but dares to include the multiplicities and contradictions of social and cultural constructions of gender, power, and politics. Park uses the metaphor of the riparian zone to reconsider the value of writing as a site of negotiation of self, culture, and society. This book is the best of curriculum theory and narrative inquiry, as well as a stunning invitation to those working in language arts, writing, and teacher education to reconsider personal writing as a place of great diversity, beauty, and paradox.
