Brand New Book ***** Print on Demand *****.Excerpt from Universal Peace: When Women Will Permit Either you must see the end of wars yourself or you must not. Waiting for each other to step forward first may be your trouble. Woulds and shoulds don t go. Either wars must stop or they must go on. You can ignore the possibility of ending wars and, as an excuse, you can pretend to be so busy.in your usual theories or work as to have no time to help end wars, but you cant state that the end of wars is an impossibility or a dream nowadays, because the work of ending wars is not more difficult than calling on a friend or going to a meeting, nor will it cost more. These pages are written especially to please both the militarists and the anti-militarists; to settle the differences among the former as well as among the latter, and join both sides as one. The plan to end wars contained herein shows a way in which women can solve the problem; you know the words, What men can t do, women might. If you could only understand a little what it means to end wars, you cannot call it nonsense to try with women, even if they fail. At these times of trials, I only know two classes of people; for and against. People who fail to help end wars, through indifference, arguments, or excuses, whether they are militarists or under the guise of peace makers, and from the highest opponents down to those who merely keep their mouths shut, I account them all fighting against ending wars; and people who really act on ending wars, no...
