Createspace, United States, 2013. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.A Treatise on Education Public, Private, and Homeschooling is a collection of my writings related to education of children in the various ways families choose to do so. Heavy on my heart, as I put this collection together, is the recent school shooting of the Connecticut elementary school, where 20 children and several adults were murdered in cold blood by a ruthless young man gone mad. I cannot fathom one of my own eight children being put in that situation, which is partly why I am choosing to home school my two youngest children at this time. I find it strange though that I just recently had my daughter read the diary and story, Rachel s Tears, of a young girl, Rachel Joy Scott, who was killed at Columbine, one of the first tragic school shootings, for a home school assignment this year, and then another tragic school shooting occurs. Rachel virtually prophesied of the massacre to take place before it happened in her diary. Her father s testimony is a very moving account of the circumstances surrounding...
