Understanding Coding with Scratch

By Patricia Harris

PowerKids Press, United States, 2016. Paperback. Book Condition: New. 218 x 175 mm. Language: English . Brand New Book. Coding was once an inaccessible activity for elementary students, but not any more. Scratch is an exciting and easy-to-learn coding program for people of all ages. Instead of lines of text, users code by dragging and dropping colorful, stackable blocks to create animations. With this colorful, intuitive, and simple application, even new Scratch users will begin to understand the logic behind coding in just minutes! Coding examples and photographs of age-appropriate students help readers feel at ease with STEM concepts. Sidebars and a graphic organizer help readers get the most out of this informative volume.
